Back at ya,

Some things read kinda weird, but I enjoyed the summary...She has a talent

John,

I just backed it out with Adobe into a MSWord file.

Thanks,

John,

Can you give this a quick review and see if there are any errors or concerns you may have.

Thanks,

Subject: for review - TASC summary of USGS report

Hi Brad and Ben,

The WLL CAG technical committee asked us to summarize the USGS groundwater report. Attached is our draft summary. If you will please review it for accuracy, we would appreciate it. We need to give it the final version to the technical committee on March 24.

Thank you.

Terrie
